Incident description

	Claim cost	Work days lost
A worker was in the process of securing a guy line when the yarder operator tensioned the slack in the line. The worker got caught in the line and was propelled into the air. The worker sustained multiple injuries when landing on felled timber.	\$230,234	387
A worker was securing a choker on a log when one end of the rigging swung and struck his body in multiple areas, resulting in serious injuries.	\$210,982	893
While tensioning lines on the yarder, the skyline cable broke. The yarder cab shook violently and the worker inside the cab was struck by an object, resulting in a serious head injury.	\$67,265	320
A worker was snagged by a choker and then lifted into the air by a malfunctioning carriage pulley. The worker was thrown into a tree and sustained a serious head injury.	\$54,607	182
A worker was pulling cable chokers when the carriage pulled the cables in the opposite direction. Before the worker could release the chokers, he was lifted into the air and then thrown to the ground, resulting in serious multiple fractures.	\$52,775	117
A worker secured a cable choker around several full length logs. As the yarder started to break-out the group of choked logs, one of the logs came loose and propelled towards the worker. The worker was struck by the moving log, resulting in a serious back injury.	\$27,539	71

- 1 Serious injury claims:** The number of time-loss claims that represent either a serious medical diagnosis, or a potentially-serious medical diagnosis with a long recovery period of 50+ days paid (10+ weeks off work). Includes all work-related death claims.
- 2 Long-recovery sprains and strains:** The number of short-term or long-term disability claims that represent a sprain, strain, carpal tunnel or rheumatism medical diagnosis with a long recovery period (10+ weeks). Excludes work-related death claims.
