

Getting to the Vancouver Island Safety Conference, over-height parking and avoiding parking tickets!

With so many registered attendees, we encourage anyone who can carpool, to do so. The **Vancouver Island Conference Centre (VICC)** is located at **60 Commercial Street (entrance closest to event is next to Serious Coffee on Commercial Street)**. Exit the Parkway, following the City Centre/Jingle Pot Road exit, No. 18, or take the Island Highway to downtown. **Limited off-street over-height parking includes: B & C (free on Saturdays), D & E (paid).**

Limited, free over-height parking is available via two street-level lots (**B & C**) on Cavan Street, off Albert Street (80 capacity). Limited paid over-height parking is available via an outdoor drive up to the top floor of the Bastion Parkade (corner of Skinner & Bastion Streets, access off Skinner Street) and at a very small (less than 30 spots) ground-level parking lot (corner of Front and Bastion Streets, access off Front Street). These lots are all about a five minute walk to the VICC.

Off-street regular-size parking options: B & C (free on Saturdays), A & D (paid)

Limited, free parking is available via two street-level lots (**B & C**) on Cavan Street, off Albert Street (80 capacity). The VICC (**A**) underground pay parking garage (300 capacity) provides quick and easy access to the VICC. Entrances/exits are located on Gordon Street and Museum Way. Level 1 is mostly reserved parking for the casino and downtown businesses; proceed to Level 2. The Bastion Parkade (**D**) is on the corner of Bastion and Skinner Streets (292 total capacity), with access off Skinner.

Please note: Nanaimo has strict parking bylaw enforcement on Saturdays. Tickets will be issued if vehicles are parked on city streets at metered-parking for more than two hours. Tires are marked and any infraction over 2 hours is a \$35 fine for every 2-hour period. Free street parking is mostly limited to spaces on select residential streets in the Old City Quarter, a 10 minute walk downhill to the VICC. Parking in the open-air parking lot adjacent to the casino and Port Place shopping mall is prohibited to non-patrons. \$65 tickets are enforced.

Drive Safe!
